SUMMARY

Full Stack AI Developer specializing in creating scalable, high-performance web applications. Experienced in delivering AI-powered solutions for automation and predictive analytics. Focused on innovation, efficiency, and building user-centric digital products.

EDUCATION

2023 - 2027

- **B.TECH - Artificial Intelligence & Data Science** | Shree Venkateshwara Hi-Tech Engineering College **3rd Year** CGPA: 7.7/10
  2025 - 2026
- **Higher Secondary Certificate** | Govt boys Hr. Sec. School Kambainallur,dharmapuri. | Percentage: 63/100 |
  2022 - 2023

EXPERIENCE

FULL STACK INTERN | Codetech IT Solutions | Hyderabad | Telangana | **(SEP/15/2025 - OCT/15/2025)**

Web Development Intern Developed and maintained responsive web pages using React js ,node JavaScript and cloud side . Collaborated with the backend team to integrate APIs ensure seamless data communication.
Worked in an GitHub environment, meeting all sprint deadlines ahead of schedule.

PROJECTS

- **Retrieval-Augmented Generation** **Live link : click to view now**

  Built a Retrieval-Augmented Generation (RAG) system integrating semantic search with LLMs , for accurate, context-aware responses.Improved document retrieval and indexing efficiency grounding AI outputs on real data to enhance answer quality.

- **AI-Powered Stock Analyzer** **Live link : click to view now**

  Developed a full stack AI-powered stock analyzer that integrates real-time stock data and news APIs to analyze market trends and generate AI-driven investment insights, with a responsive web interface built in an Agile development environment.

TECHNICAL SKILLS

Programming Languaages	Python	Java	javaScript	HTML5	CSS	Regex
Frameworks and libraries	React Js	Flask				
AI / Machine Learning	OpenCV	SK-learn	Tensorflow	Pandas		
Cloud Deployment & DB	Firebase	Render	Firestore	MySQL	MongoDB	GCP

ACHIEVEMENTS

NCC Senior Candidate (2018), Troop No. 29 GBHSS School, KambainallurDharmapuri,TN

HACKATHONS & CERTIFICATIONS

- **National Level Hackathon Participant:** Participated in a 24-hour hackathon (ECommerce stream) at Shree Devi Institute of Technology, Bangalore.
- **National Level Project Competition 2K25:** Presented AI-AGRO ASSISTANT at Velammal institute of Technology, Chennai.

DECLARATION

I here by declare that the information provided above is true to the best of my knowledge.
